TEST REPORT

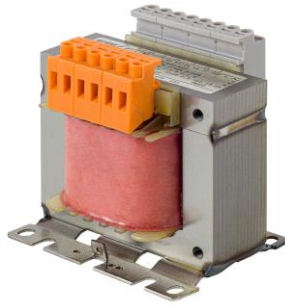

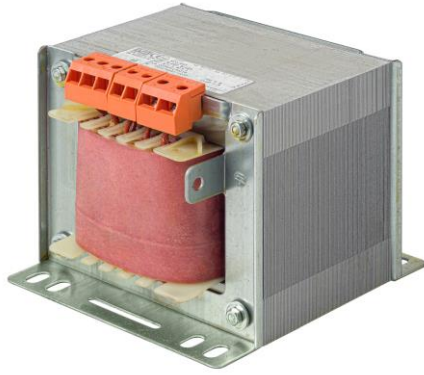

quality values
of the product

Technical drawings of the ETS 2000 battery pack showing front, side, and rear views with dimensions:

- Front View:** Shows three vertical battery cells. Dimensions include a total width of 660 mm, a height of 750 mm, and a base width of 500 mm. Each cell has a 280V terminal at the top.
- Side View:** Shows the profile of the battery pack. Dimensions include a total width of 480 mm and a base width of 290 mm.
- Rear View:** Shows the back of the battery pack with three 280V terminals. Dimensions include a total width of 660 mm, a height of 750 mm, and a base width of 500 mm.
